> Civic Engagement Activities Intro Training Session for Students

Course description

This online training session will introduce you to the ideas behind the YUFE Civic Star and the rules for applying to it: why universities and YUFE are interested in community engagement; how to recognize and make visible the different competencies gained by attending civic engagement activities; principles & practicalities of obtaining the Civic Star, etc.

The training is for students who have already decided to obtain a YUFE Civic Star by attending either YUFE Help Desks or Community Volunteering Programme or those just considering the opportunity.

Participation in one training session is mandatory for obtaining the Civic Star, but sessions are open to all YUFE students. The total workload for the Civic Star is a
